40 Valley Club Circle

Built in 1976 / 4 bedrooms / 6500 square feet

""My husband represented the original owners who built the house when he was a young lawyer. Years later, we looked at everything on the market and learned that this house was available. When it came time to make a decision, my husband said he'd always loved this house; he just never dreamed he'd be able to live in it. That was our decision made.""
